LEADERSHIP COACHING

PREMIUM ONE-ON-ONE COACHING

- *Executive Career Transformation*
- *Senior Leaders, Executives, and High Performing Professionals*

This can help participants unlock their full potential by igniting clarity in their vision, refining their ability to inspire and motivate teams, and cultivating resilience in high-pressure situations. It provides a confidential space to explore innovative strategies, challenge limiting beliefs, and develop a growth mindset, enabling leaders to adapt to evolving business landscapes with confidence.

SCALABLE GROUP COACHING

- *Early Career Professionals*

Participants will gain essential skills such as effective communication, strategic thinking, and emotional intelligence, while learning to lead with confidence and inspire teams. Through a supportive and collaborative environment, participants will hone critical skills such as assertive communication, strategic decision-making, and resilience, while learning to navigate workplace dynamics with authenticity and influence.

AMPLIFY ACADEMY

- *Mastery Signature Program*

An avid public speaker at the executive level can benefit from coaching by refining their delivery, enhancing their emotional intelligence, and mastering the art of persuasive communication to inspire and influence stakeholders more effectively.

- *1-on-1 Coaching*

Participants will receive direct feedback and actionable strategies to refine their delivery, structure messages effectively, and connect authentically with audiences. This tailored approach helps individuals overcome personal hurdles, such as nervousness or lack of clarity, while honing techniques like storytelling, vocal modulation, and body language.

CORPORATE COACHING

- *Large organizations with a focus on leadership development*

Providing organizations with ongoing and flexible access to top-tier coaching expertise allows executives to address immediate challenges, refine leadership skills, and drive strategic initiatives in real-time, fostering sustained growth and adaptability.

SPEECH TRAINING

- *Group Bootcamp*

This intensive session can significantly enhance public speaking skills by providing a focused, immersive environment to practice and refine one's abilities. Through interactive exercises, real-world simulations, and expert feedback, participants will learn to structure clear, impactful messages, engage diverse audiences, and project confidence under pressure.
